Introduction

Josiah Green Friend was the fifth son of Joseph Friend and Sarah Green Friend, as well as the grandson of “Old” John Friend, founder of Friendsville and patriarch of the Garrett County Friend Family. Josiah Green Friend married Lavina Kemp, November 10, 1825. Josiah would leave his home in Friendsville, MD and travel to the Southern part of Allegany County¹, Maryland, settling in the Swanton area. Josiah and Lavina with their eight children would have a decided impact on the Swanton area. Four of Josiah’s sons would served in the Union Army during the American Civil War. Although the descendents of Josiah and Lavina are common place through out Swanton MD, the final resting of place of Josiah and Lavina remains a mystery.

We have attempted to outline the recorded history of Josiah Green Friend and his family. Personal histories, photographs, lands deed, wills, military records and US Census records have been included in this text. It is our goal to preserve the family history of Josiah Green Friend before it is lost to time. As with our previous books on the Friend family, we have spent countless hours reconstructing this family history from multiple recorded sources. Although thoroughly checked, there may be unintentional errors, for which we truly apologize. We openly encourage additionally information and corrections to this text.

We have divided the information on Josiah Green Friend and his family into two separate books due to the massive amount of material we have accumulated during this project. Book I focuses on the oldest four children (Sarah A., Elizabeth, Mariah and

¹ Garrett County would be formed this Allegany County ion 1873.

Joseph Fletcher Sr.), while Book II covers the remaining four children (Andrew Grant, William Henry Harrison, Benjamin Franklin and John Bunyon). Book I contains a brief outline of the children detailed in Book II and visa versa.
